## ABOUT THE AUBURN BAND

Founded in 1897, the band program at Auburn University is one of the oldest and largest in the nation. Band members are chosen by audition and represent virtually every academic discipline on the Auburn campus. About 50 of the 325 band members are music majors preparing for careers in teaching or performance. The remaining members are in the band for the sheer enjoyment that the college band experience provides. The 2000 A.U. Marching Band includes members from Arkansas, Colorado, Connecticut, Delaware, Florida, Georgia, Kentucky, Louisiana, New Jersey, North Carolina, Ohio, South Carolina, Tennessee, Texas, and Virginia, as well as Alabama.

The Auburn University Bands are housed in the Goodwin Music Building, a structure made possible through the generosity of the James W. Goodwin family of Birmingham. The marching band practices on Wilbur "Bodie" Hinton Field. Completed in 1985, Hinton Field is considered to be the finest outdoor marching band facility in the country.

Since its beginning, one of the primary goals of the Auburn Band has been to foster the great AUBURN SPIRIT. With over thirty performances and exhibitions starting at the beginning of Fall Semester and running until the end of the football bowl season, the Auburn University Marching Band does just that!
