New Era

The Ohio State University Marching Band

Dr. Jon R. Woods / Director

A "New Era" for Ohio State football began with the hiring of head football coach Jim Tressel. The presentation of the team at the band's "Skull Sessions", as well as the team's singing of Carmen Ohio with the marching band are significant and exciting new Buckeye traditions. The music performed by the marching band on this "New Era" CD highlight these special occasions.

The recording begins with the new and powerful Fanfare to a New Era, followed by school songs presented live from St. John Arena including a beautiful performance of Carmen Ohio. A "Skull Session" favorite, the Fight the Team warm-up is presented on a recording for the first time. From Classical to Jazz, Broadway to Rock, the great sound, musicianship, versatility, and rhythmic precision of The Ohio State University Marching Band is evident and abundant in every selection.

The marvelous acoustics in the new Steinbrenner Band Center rehearsal hall and the expertise of new recording engineer Ed Thompson have played a significant role in the production of this outstanding recording. You will hear TBDBITL at its finest. Enjoy the music of this "New Era".
