"PRIDE OF THE ROCKIES" MARCHING BAND
For the past two years a contingent of the band played at the Division II football title game, where the UNC Bears won back-to-back national championships. The "Pride of the Rockies" is a corps-style powerhouse that incorporates the latest music arrangements with state-of-the-art drill design.

WIND ENSEMBLE

The Wind Ensemble performs both wind ensemble literature (music written to be played by only one person per part) and recognized band masterpieces.

SYMPHONIC BAND

The Symphonic Band performs outstanding band literature, while maintaining a balance between standard repertoire and recent compositions.

CONCERT BAND

The Concert Band is comprised of a wealth of music and non-music majors, and provides its musicians an opportunity to explore and perform a wide spectrum of band music.
