

The Gay Men's Chorus of South Florida began two years ago with forty-one members and an unsure future. Now, in the 2012-13 season, with a solid one hundred forty-one singers and growing, its future is no longer in question. We are now recognized as one of the premier men's choruses in the country. The Chorus has flourished with the extraordinary vision and tireless commitment of its members and the unflagging support of its friends, fans and families.

This season, in a partnership with The Symphony of the Americas, we will be sharing the stage in two concerts at the Sunshine Cathedral and two at the Broward Center, a first for a gay chorus. In the 2013-14 season, we have been invited to be a part of the prestigious Gusman Series in Miami, another first!

The members of this amazing Chorus are the most dedicated and passionate with whom I have ever had the honor of working. This is only the beginning!

This CD includes selections from the 2011-12 season. We hope you enjoy this recording and will invite your friends to come hear us in live concert. Thank you for your continued support!
