"The Spirit of Northwestern"

The "Spirit of Northwestern" Marching Band is a focal point of pride at athletic events, in parades and other university functions throughout the year. On the street or in the field, their regal purple and white uniforms reflect the class and spirit of one of the south's oldest and finest institutions. The development of leadership skills through excellence in music performance, marching performance, scholastic achievement and social opportunity is merely one of the fringe benefits of membership. Band members have consistently won recognition on campus, are active in many campus organizations and have traditionally had the highest grade point average among campus organizations.

FACTS ABOUT THE BAND

The average ACT for band members at Northwestern is 22.3. The average SAT is 1140. The National average is 21.1 and 1019 respectively

The average GPA is 3.256.

Band members represent eleven different states.

Forty-seven different majors represented, of them 37% are music majors.

The image features the letters 'NSU' in a large, black, serif font with a white outline. The letters are centered within a large, glowing circular ring that has a soft, ethereal light. The background is dark and textured, with a faint, larger-scale image of a person in a long, flowing robe, possibly a religious or historical figure, visible behind the text and the glow.
